

Opening for a full time Director of Nursing Services with the Evangelical Lutheran Good Samaritan Society-Prescott Valley. Our location in Prescott Valley, AZ has excellent weather all year and due to our altitude the summer temperatures are more moderate than Phoenix. Our 80 bed skilled nursing facility features the Society's Christian mission and values, and has long term care, memory support and rehabilitation units. We offer all of the benefits of metropolitan facilities in a small town environment.

Good Samaritan Prescott Valley is one of the newest skilled nursing facilities in the area and we are a pilot community for The Good Samaritan Society in the use of an in-house drug dispensing machine.

This full time position offers a full benefits package and competitive salary. We prefer previous experience as a Director of Nursing and prior electronic medical record experience is a plus.
